## Camper Poll

"Do you like waking up at 7:15 AM each day?"

29 (59%) – No

20 (41%) – Yes

*4 improper responses omitted.*

## Fashion Show

Hidden Valley counselors, being the funny people they are, had a Hidden Valley fashion show. All of the 4-H counselors had to go to the opposite cabins and perform a fashion show. The campers in that cabin would dress up the counselors in crazy clothes to just make them look ugly. "CRUEL!"

All of the counselors had to line up at the flagpole and walk down the sidewalk as if it were a runway. The directors judged each counselor based on how ugly they looked. Pine took first, Sycamore took second, and Birch took third.

## Kangaroo Court

After the fashion show Kangaroo Court took place. Kangaroo court is a place where campers accuse the counselors of doing ridiculous things. They are put on trial and are proven guilty or innocent. The following counselors were accused in Kangaroo Court.

**Tyler (Birch)**

Accused of being drenched in sweat.

**FOUND GUILTY**

Tyler had to be wet all day Thursday so nobody would tell if he was covered in sweat or just soaked in water.

**Charlotte (Cedar)**

Accused of being too quiet.

**FOUND GUILTY**

Charlotte had to scream Camp Attention whenever the directors required it.

**Twiggy (Spruce)**

Accused of not making her bed and making her cabin fail cabin inspection.

**FOUND GUILTY**

Twiggy had to make all of Spruce's beds for the rest of the week.

**Julian (Hemlock)**

Accused of killing bugs and feeding children bugs.

**FOUND GUILTY**

Julian had to say "Hee-haw" before anything he said and had to sing "Dragonfly inside a jar" whenever the word "bugs" was spoken to him.

**Sean J (Hemlock)**

Accused of not being a leprechaun.

**FOUND GUILTY**

Sean had to dress like a leprechaun all day. In addition, he had to clack his heels whenever "Lucky Charms" was spoken, and had to say "Top o' the morning" whenever "Good Morning, Sean" was spoken.

**Jessie (Sycamore)**

Accused of dressing like a 4-yr old.

**FOUND GUILTY**

Jessie had to dress in Business casual all day Thursday.

**Kevin (Pine)**

Accused of both being late to everything and singing in the shower.

**FOUND GUILTY on the 1<sup>st</sup> Charge**

Kevin had to wear an alarm clock that would go off every hour and sing "Alive, awake, alert, enthusiastic" whenever someone said "You look tired, Kevin."

**FOUND INNOCENT on the 2<sup>nd</sup> Charge**

The court ruled that he not be charged because his singing was beautiful.
