International Welcome

This week, campers were treated to an adventure around the world through food, history, and games. Campers experienced a new cuisine, and participated in activities that were hailed from all over the world. Campers who came from different parts of the world took turns speaking about the countries they came from at camp. On Monday, campers took a tour of the United States, more specifically through the states of Mexico and Argentina. On Tuesday, campers spent breakfast in Israel, then moved to Lithuania and finally to South Africa for dinner. Wednesday was spent with campers from England and Ireland, and Thursday featured campers from various parts of Asia. Finally t
